## Meet Our Judge SV Dieter Oeser

Dieter Oeser has been a member of the SV since 1966. He obtained his show judging license in 1984 and later became a Körmeister (breed survey) in 1990. Father of two adult children and an electrician by profession, Herr Oeser is now retired and enjoys travelling the globe to judge the German Shepherd Dog.

Herr Oeser has bred more than 30 litters under the kennel name von Schreckenstein. He has trained and titled a number of dogs to Schutzhund 3 level and achieved many high placements at Sieger Shows.

With his excellent ability to speak English and his easy-going personality, Herr Oeser is frequently invited to judge in Germany, the USA, Canada and around the world. As an avid cyclist, he enjoys exploring the local geography and country-side on two wheels often riding for hours at a time without a map or GPS. In fact it's quite common for hosting clubs to worry he might miss the event although to the best of our knowledge, he has never let a club down always arriving before the search party is dispatched!
